Jove, what a beauty!

It's fine to hear those murmured words of praise and know you deserved them. You didn't hit it very hard, but you hit it right. And it *resounded* bang into the wind, straight as an arrow. That's why it pays to play a North British you get a little more than you expected from every shot a little more length a little more accuracy. Dead true, anti-frictional centre and perfect cover-to-core adhesion these are but two of the points which make the North British the best ball on the market to-day.

APPEAL

by

SIR H. M. MALLABY-DEELEY, Bart.

Chairman of the Committee of Prince's, Sandwich

By the kind wish of the Championship Committee of the Royal and Ancient Golf Club of St. Andrews, the whole of the proceeds from the sale of the official programmes of the championship will be handed over to the Kent and Canterbury, and the Deal and Walmer Memorial Hospitals, on whose behalf I have been asked to make an appeal for the funds which they so sorely need.

These Institutions are doing all in their power to carry on their battle against disease and suffering, but their fight is an uphill one and rendered all the more wearying and disheartening by their anxiety as to how it can be successful when funds are ever decreasing.

May I venture, therefore, to make an appeal to all at Prince's, whether players or spectators, who are making or watching amazing drives and brassie shots, splendid iron play and wonderful putts, to give just one thought a day to those lying in hospital not far away from us.

And when you have given them this thought, it will add, I feel sure, to your pleasure and enjoyment of the Championship to remember that by buying a programme each day you are not only helping these hospitals to continue their great and good work, but you are helping also to bring back the sufferers there into the sunshine which you are fortunate enough to be able to enjoy but which, alas, they can not.

H. M. Mallaby-Deeley.
