Weather Policy

- In the event of bad weather, please take note of the below to understand how this might affect your booking.

Lightning

- In the event of lightning, golfers out on the course should cease playing immediately after the sounding of the horn. Retreat to the nearest shelter or building, until the immediate lightning threat has passed.
- If it is safe to do so, golfers may then return to their places on the course and complete their round.
- If green fee-paying visitors decide to abandon their round, rather than wait for the lightning to cease, refunds will not apply. Should the lightning cause the golfer to miss their tee-time, reasonable endeavours will be made to reschedule either later that day or the following day depending on availability.

Heavy Rain

- In the event of heavy rain, we only offer a credit if the course is deemed unplayable by our General Manager, and subsequently closes. Due to the value of the package, a refund would not be applicable due to rain.
- Unless the course is closed, it is up to the discretion of the player as to whether they wish to continue/start their round when it is raining. If chosen not to play, no refunds or credits will be issued.

Frost

- Golfers are advised that should there be a morning frost, there may be a delay to starting the round. All delays and changes to tee times will be communicated with those playing, but the condition of the course will be the main priority when making the decision to allow play.

Liability

- Prince's cannot accept any liability or responsibility for loss or damage to belongings when guests are on-site. Persons wishing to leave their belongings or vehicles on the premises do so entirely at their own risk. Furthermore, Prince's cannot accept any liability or responsibility for damage or injury to any visitor, or their property.
- Proper Golf shoes must be worn and the dress code adhered to (please find dress code on our website)
